**Happiness**

Earlier this summer I climbed a Scottish mountain with the rain falling as if I was being sprayed with a garden hose. I had to crawl the last 15 metres because the wind was so strong. On the way down the mountain the rain turned to sleet and then hail – the stones were so large I had to put a hat on under my hood to protect myself. At the bottom as I sucked a boiled sweet, my only food because I’d lost my wallet the day before and settled down to sleep in the car because I had no money. I reflected on a wonderful day and the life I have that enables me to enjoy the world.

This month and over the summer, I hope you will find some time to do the things that make you happiest: walking barefoot over a beach, sharing time with loved ones, emptying the in-box, an evening of dancing, having a picnic, waking up refreshed before the alarm! Holidays and times away are great times to reflect on what’s important and what brings us happiness.

Research published earlier this year suggests that as a nation we have become miserable because we are selfish, unfit and anti-social. It reports that our happiness is limited by a blinkered approach to the world around us. The research also suggests that by addressing our deficiencies we could find more contentment: giving, relating, exercising, appreciating, trying out, direction, resilience, emotion, acceptance and meaning are reported to be the 10 things that make us happier.

What is it that makes you happy? The things that bring happiness are often not expensive – a conversation with a friend, the warmth of the sun, a home grown lettuce, a cup of tea in an armchair after a walk. Have you ever thought that going to church and becoming a member of the congregation might make you happier? Being a member of a church ticks many of the activities/attitudes recommended by the researchers into happiness - but you might find more than happiness. You might also find God.

May this month be joy filled.

Every blessing

Revd Craig

### CLASSICAL PERFORMANCE AT ST SWITHUN'S CHURCH, QUENINGTON

Young percussionist Rhys Matthews has put together a tantalising programme of popular classics and percussive surprises (ever seen four flowerpots in a performance?).

Arrangements of short works by Bach, Monti and Rimsky-Korsakov—that demand incredible virtuosity even from the instruments they were written for—are sure to show off Rhys' skill, while a peppering of modern works will give audiences a flavour of the range of sounds one percussionist can make. The performance will include:

*Botsford Black & White Rag*  
*Zivkovic Ilijah*  
*Piazzolla Libertango*  
*Zzivkovic To The Gods of Rhythm*  
*Vivaldi Presto*  
*J.S Bach Cello Suite*  
*Rzewski To The Earth*  
*Monti Czardas*  
*Rimsky-Korsakov Flight of the Bumble-Bee*

The performance will take place on Wednesday 29th June at 3pm. Tickets £10 and available from the Cheltenham Festivals Box Office on 01242 505444. See [www.cheltenhamfestivals.com](http://www.cheltenhamfestivals.com) for more information.

## LEAGUE OF FRIENDS OF FAIRFORD HOSPITAL

The Fairford Hospital League of Friends raised more than £18,000 as a result of its house-to-house collection this spring. It will help finance the organisation's increasing commitments to health work in the community. Commenting on the results, the League's chairman, David Phillips, said: "We are grateful to the volunteers who work so hard every year to help raise this sum and to the community at large for responding so generously." The news comes as the League is preparing for a new fund-raising initiative. It is opening a charity shop in Lechlade, and appealing for volunteers to help run it. A lease has been taken on the former bank premises and volunteers are fitting it out for opening on June 20th. Said Mr Phillips: "This is an ambitious first for the League of Friends but our increasing work in the community demands that we do everything we can to raise money to support it." Another initiative launched by the Friends this year was a highly successful open gardens event in Lechlade recently which raised a total of £841. The garden of Ablington Manor, near Bibury, will be open to the public on Sunday, June 26th, in aid of the League of Friends of Fairford Hospital. The manor is home to Robert and Pru Cooper. This fun-raiser follows the success of a similar event in Lechlade at the homes of John and Barbara McNaught and Gerrard Campbell, which raised more than £800.

## **SOUTHROP SCHOOL**

### **The diary of two Year 6's from Southrop School:**

I bet you're wondering what it's like to be a boy at Southrop School. Well, you don't have to, because I'm going to tell you. The great thing about Southrop is that it's really small, so you get constant attention from the lovely teachers. I loved the Infants – Mrs Bowers giving me my first “sound” book and getting to grips with “th” and “ch”. Years 1 and 2 were a big step for me; when I look back, I remember Mrs Hollis teaching us the life cycle of the butterfly and a song to go with it. I also remember confusing INSET day with insects and asking my Mum about “bug” days, and wondering what they were ....

In the Juniors, I enjoyed listening to Mr Brown playing his guitar and singing “We're going to the zoo” - now I'm in Year 6 and Mr Brown is teaching us his guitar skills in an after school club. One thing I will never forget is Mr Brown's explanation of the science of gases, liquids and solids. He would get a small group of children and get them to mill about gently to explain gas; then he would get a bigger group of children and get them to mill about and bump into each other a bit to explain liquids; then he would get lots of pupils and get them to squash and squish up together to explain how particles of a solid behave. I will also never forget Mrs McLellan teaching us everything we need to know for secondary school and Mrs Brown teaching me about all the different kinds of rhymes and poems, and last but not least, Ms Nicholls patching me up after a fall in the playground. So as you can see, Southrop is a School full of joy and happiness and I will miss all my friends and the teachers when I go to Farmor's.

### **By Aidan van der Heiden**

Lunch time; games in the playground; Christmas plays; Celtic day ; swimming; the way Mrs Hollis reads stories; the wildlife garden; octopus (the best game in PE); sports day; wining my team house points; art; chatting to Ms Nicholls while she patches me up after a fall; Mrs Bowers playing our skipping game; Mrs Brown at drama club; Mr Brown's collection of ties and when he plays his guitar to us; the Victorian trip; Colchilli's colourful Jamaican art; writing my stories in Literacy with Mrs McLellan; Friday ice-cream; helping at the fete and of course the annual country dancing festival.

The summer term at Southrop is one of the best terms and is the most fun. In this term we all wear our summer dresses (the girls!) and do country dancing with Mrs Hollis. We sometimes have lessons outside and do LOTS of gardening. We also have the leaver's disco where everyone always has a good time! Also on the last day everyone signs the Year 6's shirts, as a memory of the school. This term as our topic is Tudors, we are going on a trip to a place where we get to dress up a Tudors and spend the day in the fifteenth century! These are just a few reasons why I love Southrop School.

## **SEND IN THE CLOWNS**

Fairford Primary School PTA are thrilled to have Happy's Circus come to Fairford and set up their Big Top in their Leaffield Road grounds to put the fun into fundraising to raise money for the school for improvements to the outdoor space, new books and additional art materials.

The colourful Big Top, accommodating around 600 people, will be the venue for the spectacular family show that will focus on the glamorous world of circus entertainment.

Happy's all-human Circus has been performing around the country for 18 years headed by Happy the Clown and features magical illusionists, dancing aerialists, speciality acts and international artistes including Moscow State Circus-trained, Albert Arslanov, who performs an incredible juggling act with knives.

The Circus comes to town on Friday 23rd September with doors opening at 5pm. The thrills and spills of the circus will start at 6pm and the show will last 2 hours with a 30 minute interval. Take the family out for dinner as well, as the PTA will also be providing food and drink.

Donna Griffith, chair of the PTA, said the show will be full of sunshine and smiles and will appeal to grown-ups and children of all ages.

Tickets cost £10 per child and £12 per adult and are available from 7a Coffee Shop, Fairford Primary School or Clare on 07765 683974.

## THE SWING BAND PICNIC IS BACK!!

This year's Swing Band picnic will be held in the gardens of the **Mill House, Coln St Aldwyns** (by kind permission of the Earl and Countess St Aldwyns) on **Saturday 30<sup>th</sup> July**. The gates will open at 6pm for picnics on the lawn, and the music will start at about 7pm.

The evening will feature music played by the Glosjazz Swing Band (including musicians from the Crescendo Big Band, the AJL Show Band, and Ain't Misbehaving), many of whom will be familiar to those who have attended previous concerts, and will include swing and standard favourites by Count Basie, Glenn Miller, Duke Ellington, Ella Fitzgerald, Frank Sinatra and others.

Admission on the gate will be £10 for adults and £5 for children, and free parking will be available adjoining the venue. The proceeds of the concert will be donated to **Fairford Hospital**, so bring along a picnic, something to sit on, a bottle of wine (!) and a party of friends, and enjoy an evening of great music whilst supporting this well-loved local cause.

## SUMMER CONCERT AT COLN ST ALDYWNS CHURCH HELD ON 14TH MAY

The Coln Church Choir would like to thank everyone who attended the concert and helped make the event such a successful and memorable occasion - £1,235 was raised in aid of The Church of St John the Baptist. We would like to thank Kate Hicks Beach for all her hard work in honing both choirs' performances over many weeks and for conducting on the night, and to Jack Mizzi for accompanying on the piano and for his outstanding solo performance. Special thanks also for the excellent contributions made by the Hatherop Primary School Kate's Choir and by the very talented local soloists - Susie and Lucy Hicks Beach, Alice and Emily Wilder, Lydia Rostant - and to those who gave their time and support to the evening.

## HOLD A BLOOMING GREAT TEA PARTY AND RAISE MONEY FOR LOCAL MARIE CURIE NURSES

This summer Marie Curie Cancer Care is calling on all tea lovers in Gloucestershire to put the kettle on in support of local Marie Curie Nurses.

This year alone Marie Curie's specialised local nurses look to provide free care and support to 175 terminally ill patients and their families in Gloucestershire - yet there are more and more who need this support. By getting together with friends, family or neighbours and holding a Blooming Great Tea Party of your own you can ensure this care can continue in Gloucestershire. TV actress and baking enthusiast Fay Ripley is supporting The Blooming Great Tea Party and said: 'I'm planning to hold a children's tea party and get the kids involved but it can as simple or as extravagant as you like, from a builder's cuppa with colleagues to getting the whole family round for a gathering in the garden, so what are you waiting for?' Please register today online at [www.mariecurie.org.uk/teaparty](http://www.mariecurie.org.uk/teaparty) or call 08700 340 040 for your free Tea Party fundraising pack.

### **GARDENING CLUB**

Our afternoon at Southrop Manor was blessed with light showers (so welcome with this drought) and sunny spells - a perfect combination for seeing the garden at its very best. Our host, Caryn Hibbert, and her Head Gardener, Claudio, guided us through the garden where we saw a wonderful combination of herbaceous planting (full of summer colour), lawns with distant views over meadows to woodland, a wildflower river walk studded with wild orchids, a formal rose garden enclosed by a circle of yew and finally an organic kitchen garden, complete with chickens. All combined to give a perfect pastoral scene. Claudio, hugely knowledgeable and enthusiastic, gave us many tips for his successful organic work in the garden. Here are just a few! Alliums planted with roses (and vegetables) keeps pests at bay. A strong garlic solution sprayed on diseased plants will bring the plant to life again. Single flowers are more accessible for bees and insects than double flowers. More bees and insects attract more bird life. (Swallows eat insects, Red Kites eat the Swallows- all part of the food chain!) The soil from mole hills is marvellous as a sowing medium as it is rich and free of weed seeds, which moles eat (think twice about getting rid of that mole!) Water mint from the river is delicious in cooking.

Claudio is a chef and Ethno-Botanist (a specialist in the traditional application of plants, including food), and spent several years working at Kew. He uses his skills to grow, maintain, and produce food for the cookery school, in which he also cooks. We were given the most delicious tea with homemade scones and jams in the magnificent and welcoming Barn - all a huge treat - and we give our sincere thanks to Caryn Hibbert, Claudio and all their team. Our last visit before the summer break is on Tuesday, July 19<sup>th</sup> - an EVENING visit to Stowell Park, home of Lord and Lady Vestey. We meet there at 5.30pm, when the Head Gardener will give us a guided tour. We can bring our own picnics and stay on for the evening if we wish.

We are very sad to hear that Marilyn Butterworth has died. She has been a member of the Gardening Club for 12 years and will be missed by us all. We send our condolences to husband Geoff and family.

PS We are trying to gather e-mail addresses of members so that we can keep you up to date. If you wish to give yours, please e-mail [janlizbradley@waitrose.com](mailto:janlizbradley@waitrose.com).

## **HATHEROP PRIMARY SCHOOL**

We have welcomed 3 new pupils recently: Louis Saggars into year 2, and Max Scrivener and Ben Cosgrove into year 3, and they all seem to have settled well.

We are very grateful to Kate Hicks Beach who has continued to do her 'Kate's Choir' as an after school club. They sang beautifully at Coln Church in a concert and also performed 3 songs for Julia Morris who came in to school in her role as an adjudicator to listen to them and appraise their singing. She made some very warm and encouraging comments.

Our Netball Team have excelled themselves, getting through to the top 5 schools in the County to play in the Championships. They came third in this and Mrs Clarke who has been coaching them was very proud, as we all are.

Our Class 3 pupils have been enjoying cricket training with Dave Taylor from Fairford Cricket Club on Friday afternoons and we also have the Area and District sports events to look forward to shortly.

Mrs Wilder's Literacy group have been writing their own book. Each child has written their own chapter and the book is an adventure story about some animals who have super powers and rescue their owners from a terrible situation! Christine McClaren has kindly been in to school to give them an insight into the world of publishing, as they are going to have a go at publishing (and selling!) their product. They are even preparing the 'launch' (complete with drinks and nibbles) in which the authors will be available to sign their book for the purchasing public!

As always, this Summer term is hugely busy and we are beginning to prepare our end of term productions. Key Stage 1 pupils will be performing their own version of 'Jonah and the Splendiferous Whale' and Key stage 2 pupils will be doing 'Rats'....an adaptation of The Pied Piper of Hamelin.

We also have an American day, led by our very own Martha Flood on Independence Day, a visit to the Sculpture Show, a day at the Ernest Cook Trust's Leewood Farm, for the whole School, and the Business Scheme, run by Class 3.

The School Council are beginning to think about organising a 'Hatherop's Got Talent' after last year's hugely successful event. It was delightful to see the children stand up and sing, dance, 'eye brow dance' play and act out things they had come up with totally on their own. More on this later!

We were lucky enough to have a husband and wife team known as 'Groove On' in school for two and a half days to do a music residency. They brought with them a van packed to the gunnels with a huge variety of percussion instruments and at the end of the visit Class 3 presented to the whole school and parents a Desert Soundscape that they had been working on which was quite simply the most amazing and moving listening experience. They sang, they rapped, they played and they improvised and it was stunning. As with many of these wonderful facilities provided by County, unfortunately the funding is now being withdrawn which is a terrible shame.

## **HATHEROP PRIMARY SCHOOL – FOND FAREWELLS!**

Miss Sally Davis our Head Teacher is retiring at the end of summer term. Assistant Head Mrs Judy Francis is also leaving in the summer – between them they have almost 50 years of service at Hatherop Primary School!

They have been key in shaping our school into the happy and thriving learning environment that the children enjoy so much and which has made our school the success it is today. They will be very much missed and we plan to give them a great send off and thank you in true Hatherop style!

If you have been part of the Hatherop Primary School community over the years we'd love you to be part of the farewell activities. Look at the CHEQS villages website for how you can participate - <http://cheqs.wordpress.com/hatherop-primary-school/>

PS A new Head Teacher has been recruited and we look forward to introducing him to the CHEQS community after he starts in September.
