Joy

I once introduced two friends to one another in some Cumbrian sheep pens. One, an elderly farmer, spoke with a thick accent and used lots of dialect words – gimmers and tups; the other was an academic from Oxford whose research area as a metallurgist was polymers. They both spoke English as a first language and yet to one another they were virtually intelligible. My ears had been tuned to their accents and my vocabulary gradually extended through my friendships with them so I could understand them both. It was strange to listen as they struggled to be understood and to comprehend.

A new nightclub in Wakefield called “Religion” offers club-nights called ‘Resurrection’ which promises to “bring your Friday back to life”, Saturday is “Salvation - the answer to your prayers” and Monday Mass is offering “massive offers” on alcoholic drinks. Some people are not amused ... It challenges us to think about the words that we use, the meanings we attribute to them and the meanings others ascribe – which aren’t always the same. Language is always moving: meanings evolve and change, new words appear whilst other words fall out of usage; apparently aerodrome, charabanc and gullible have all been omitted in the latest edition of Chambers.

We can speak the same language, use the same words but not be understood. Setting up a Twitter account I’ve been challenged to think about describing myself in the 140 characters allowed in the bio (biography): a brief description and statement of who I am. My bio gives, I hope, an honest and unambiguous summary, of my professional, personal and spiritual life.

Vicar to 5 lovely villages - Father to 3 lovely girls - Husband to 1 lovely wife ... seeking to live joyfully

I included joyfully because joy is one of the few Christian values that remains relatively uncorrupted and is understood by all. Joy comes from relationships rather than processions or experiences. Joy endures and fulfils: it is not based on external circumstances but something much deeper. Part of being a Christian is discovering joy and learning to live joyfully as a disciple.

This is the day that the Lord has made, let us rejoice and be glad in it.
(Psalm 118:24)

May you discover a deeper joy this month.

Every blessing
Revd Craig

SUE BLACK – VILLAGE AGENT

I am the Village Agent for Quenington, Hatherop, Coln St Aldwyns, Southrop, Eastleach and Aldsworth. The role of the Village Agent is to provide older people in the community with easier access to information and services.

Survivorship - Living with and beyond Cancer

According to Macmillan Cancer Support (2008), there are approximately 2 million people living with cancer in the United Kingdom, and that total is rising by more than 3% a year.

Macmillan knows that the impact of a cancer diagnosis does not suddenly stop when treatment is over and this is when your local Village Agent may be able to help.

With the support of funding from Macmillan Cancer Support, Village Agents are now trained to support people living with and beyond cancer in the community.

I am pleased to let you know that I am one of the Village Agents who has received this additional training for the Macmillan project. I can help with access to financial support and advice, cancer and cancer survivor information.

I can signpost people living with and beyond cancer, their carers and families to the most appropriate information and care to help improve the quality of their lives.

Police non-emergency 101

101 is now the number to call when you want to contact the local police – when it's less urgent than a 999 call. 101 replaces the 0845 number. Calls to 101, from both mobiles and landlines, cost 15 pence per call, whatever the time of day and no matter how long your call is, and will be answered by the local police not, a national call centre.

COLN ST ALDWYNS COMMUNITY SPEED CAMPAIGN

In 2009 the parishioners in Coln St Aldwyns completed a questionnaire which led to the production of a Parish Plan for the village. One of the major points of concern which the parishioners highlighted was the speed of vehicles travelling through the village. As a result Coln St Aldwyns Parish Council started a Community Speed Campaign with the help of Gloucestershire Police Constabulary. You may have noticed some of the Parish Council using a hand held device to establish speeds, also a Speed Data Recorder (SDR) was installed on Hatherop Road and monitored every vehicle's speed in both directions for a 5 day period. The main findings were:

- Vehicle speeds were lower when the hand held device was used.
- The number of vehicles doubles on a week day.
- The speed of vehicles travelling in the period 07:00 to 07:59 on a weekday increased. On one day over 60% of vehicles were recorded travelling at over 33mph, and 35% travelling at over 36mph.
- The number of vehicles using the Hatherop Road consistently increased from 15:00 on a weekday until after 16:00. Although recorded average speeds increased during this time period, even higher average speeds were recorded between 16:00 and 18:00.
- The highest speed recorded was 54mph at 20:25.
- The speeds recorded were markedly higher from Coln St Aldwyns towards Hatherop.
- The range of vehicle speeds on a weekday was consistent with the average spread for the day, however over the weekend the vehicle speeds varied more widely.

The Community Speed Campaign will continue and we ask all parishioners to continue to cooperate with us while we continue with this campaign.

A BIG THANK YOU

Sally Davis and Judy Francis would like to say a great big thank you to the many people who not only organised their fabulous farewell party up at the field at the end of term, but all those who came to it as well. We were very touched by the generous and thoughtful gifts we received. It was the best kept secret ever and it was just the most perfect way to say goodbye to all those parents, children, Governors and staff, past and present, who were there. We have both thoroughly enjoyed our collective 50 years (!) at Hatherop Primary School and wish everyone all the best for the future.

HATHEROP PRIMARY SCHOOL

We have enjoyed a smooth start to the new academic year. Mr. Bartholomew has begun his headship and is excited about the years ahead. There was a welcome tea party to introduce him to parents which was attended by many. He feels very welcomed by the school and the local community.

Fifteen new reception children are beginning the new year academic year and are settling in very well. It is lovely to see them playing and learning and being looked after by the older pupils.

Half of the school hall was lifted during the summer holidays and repaired due to damage to the floorboards. This means that the whole school hall can be used safely. Also, guttering was repaired around the hall.

Children are able to collect reward points for behaviour and good work. Each child is allocated into one of three houses. Children are either in Keble, Cook or Farmor house. We are going to find out more about these local people over the coming year.

Later in September, we are looking forward to celebrating Harvest at the church and a visit from the Archdeacon.

EASTLEACH & SOUTHROP FRIENDSHIP CIRCLE

Our next meeting on November 3rd will be held in Southrop and our old favourites Stan & Peggy Byers will Entertain us with many songs.

Southrop Church of England Primary School

Southrop GL7 3NN www.southrop.gloucs.sch.uk 01367 850246

At the start of our new school year we give a warm welcome to the reception class who are Maisy, Moses, Matthew, Isabella, Evie and Gemma. We also welcome new staff members Mrs Blackwell (Infant teaching assistant) and Mrs Spring (Junior teaching assistant).

Autumn is a lovely time of year and we are very lucky to have a school surrounded by countryside and farmland. All the children are looking forward to our Harvest Festival celebrations taking place in Southrop Church on Monday 26th September.

Back to school and the juniors are already busy researching Southrop for their geography topic. The infants have been learning about all aspects of the weather. All of the children will be learning about keeping safe on-line as we enjoy using our newly commissioned IT systems including the laptops and file server bought by the PTA.

Finally, we would like to share with you some great poems written already this term by Infants year 2 about their favourite footwear!

I love to hear my feet,
as I crawl along the street in trainers,
tip tap tip tap tip, hippety hoppity feet.

I love to hear my feet,
as I march along the street in flippers,
flap flap flap flap, flippy slippy feet.

I love to hear my feet,
as I gallop down the street in riding boots,
clip clop clip clop, cloppy noisy feet.

I love to hear my feet,
as I whizz along the street in skates,
whizz fizz, whizzy fizzy feet.

FOOD HUB AT FARMOR'S SCHOOL

Would you like to buy fresh, local food in Fairford? Would you like to sell your produce at our market? Would you like to get more involved in where your food comes from? **Buying local food can be cheaper than supermarkets and could raise money for the school too!**

We have an opportunity to set up our own social enterprise food hub. We could use an on-line ordering system to buy a wide range of locally-produced food and drink at below retail prices which would be delivered to our school hall for collection and/or delivery to your homes. Suppliers from around the area would have the opportunity to sell their fresh, local produce at our school to people within a 15 mile radius. For more information contact Emma White at Farmor's School on 01285 712302. In the meantime, have a look at the food hub website www.stroudco.org.uk

GLOUCESTERSHIRE HISTORIC CHURCHES TRUST

Ride & Stride September 10th 2011

Merry Baskin, Philip Bower and Nen Sutcliffe from Eastleach got on their bicycles and raised £768 for the Trust. Half of the money raised will be given to a Church of their choice. In this case Bouthrop Church, St Michael & St Martin which is in the care of the Churches Conservation Trust.

Many thanks to the bicyclists for their effort, the generosity of their sponsors and to everyone who manned the Church through the day.

Sheila O'Donnell will be taking over the organisation of the event in the village from next year. I know she would be pleased to hand out more sponsorship forms! *Jackie Arkell*
