Remarkable!

We are privileged to live in a most beautiful part of the country. When surrounded by such a wonderful landscape and buildings it can sometimes be taken for granted. It may take the wonder and enthusiasm of visitors to remind us of the splendour of home in the Cotswolds.

Trees give colour, shape and form to our landscape. We have a book, ‘Meetings with Remarkable Trees’ by Thomas Pakenham. In it he records his personal selection of 60 remarkable individuals or groups of trees – its full of fantastic photographs that draw my memory and imagination into the woods. It implicitly asks the reader to think about the remarkable trees they know. Remarkable trees need not be the biggest or best species but ones that are significant to us. My favourites would include: the wonderful split-leaved beech in our garden; the row of yews in Hatherop Castle School; the ancient oak on the road towards Moor’s Farm; the hollow ash pollards on the path to Bibury; the gnarled hawthorns above the Leach upstream of Eastleach.

Re-reading it recently my thoughts went in a different direction it would be possible to write a similar book entitled, “Meetings with Remarkable Buildings.” It is probably no surprise to learn that my edition of such a book would have a fair share of churches, churches that have been important to me but more significantly important to the people that have visited and cared for them throughout the centuries to honour and seek God. Some churches seem to drip with the prayers of the saints through the ages. Sometimes just as it takes visitors to awaken us to the beauty of our environs so it takes fresh eyes to see the splendour of our churches, buildings that we may take for granted.

Another variant waiting to be written is, “Meetings with Remarkable People,” and although it would be a different selection for each of us it is of value to note that we all know and are known by remarkable people –indeed to others we ourselves maybe ‘remarkable’. Remarkable people don’t need to be important or successful – far more important are qualities like generosity, kindness and love. This should be no surprise: we are all made in the image of God and are his sons and daughters and co-heirs with Christ.

May you continue to encounter the remarkable
 May you recognise the remarkable within yourself

Every blessing

GRANDPARENTS' AFTERNOON AT HATHEROP CASTLE SCHOOL

During the summer term, the school held an open afternoon for grandparents. The afternoon was a part of the schools' twenty year anniversary, celebrating twenty years as a co-educational preparatory school.

The children welcomed their grandparents for refreshments on the terrace when they arrived, where their photograph was taken with their grandchild. This was then presented to each grandparent in a frame at the end of the afternoon. The children then took their grandparents on a tour of the school showing them the work they have completed and classes in action. Grandparents were able to try their hand at ICT, Science and Art with the children demonstrating what they have been learning.

The afternoon concluded with the school choirs performing on the terrace and some children joining in with maypole dancing. Each grandparent and child then released a balloon in school colours.

HATHEROP CHURCH OF ENGLAND PRIMARY SCHOOL

Nurturing Aspirations, Celebrating Individuality, Fulfilling Potential

We have had an amazing summer term. One of our many highlights has been the summer productions. Class 2 performed 'Honey' with great enthusiasm and wonderful singing. Class 2 and 3 performed 'A Midsummer Night's Dream'. There was wonderful acting and many comedy moments. The whole school enjoyed visit to the Sculpture Show. These visits were truly inspiring. As one pupil said 'This is amaaaaaaazing'. We held an open afternoon in early July. Many parents visited to see their child's work, and also Kate's choir performed superbly. It was a lovely afternoon celebrating children's achievements. The PTA have worked tirelessly this year, raising money for iPads. Thank you for all their hard work at many different events. Each class has been on a trip this term. Class 1 had a fantastic time searching for minibeasts. Photographs of their visit are on our school website. Class 2 have been to Chedworth Roman Villa, learning more about the Romans. Class 3, along with pupils from Southrop, Fairford, and St. Lawrence Lechlade visited 'Lakes by Yoo' for a day of activities including the zip wire across the lake, cycling and pond dipping. This year we say farewell to nine Year 6 pupils. We wish them all well for the future. We are welcoming 12 children to Reception in September. We have had a wonderful year. The support of the parents, governors, staff and local community is amazing and what makes our school so special. Thank you to all. I hope that you all have a fantastic summer and that the sun shines!

SOUTHROP C of E PRIMARY SCHOOL

The summer term at Southrop School has been jam-packed with academic, sporting and fun activities!

We achieved a great set of SATs results, closely followed by some spectacular success at the area athletics competition at Deer Park School. Will became the area high jump champion and Genny took the crown for the long jump. Well done to them and to all our competitors for a great showing. The juniors spent a day as Victorian school children on a trip to Blists Hill open air museum at Ironbridge and also enjoyed an activity day hosted by Lakes by Yoo. The infants visited the Cotswold Water Park in search of minibeasts as part of their topic work. The whole school were so inspired by their trip to the Quenington Sculpture Show that they staged their own sculpture show in the school grounds for the entertainment of parents!

At the end of June, the after school cookery club was invited to hold a session at the Thyme Cookery School where they enjoyed the experience of using state of the art equipment to produce pea soup and soda bread.

Southrop School were pleased to follow up their display of country dancing at the village fete by taking part in the Country Dance Festival hosted by Fairford Primary School.

As we near the end of this busy summer term we are preparing to say goodbye to our four year 6 pupils, Ella, Bradley, Ferdi and Alex, as they move on to the next phase of their education. They will have a good send-off, with a Leaver's Service in the church and lunch at the village hall. We wish them well.

Happy holidays to everyone and see you in September!

LECHLADE GARDENING CLUB 8TH FLOWER AND PRODUCE SHOW

The 8th Lechlade Gardening Club Flower and Produce Show will be held at the Lechlade Memorial Hall, Burford Road, Lechlade on Saturday 7th September 2013. The show is open to the public and it is hoped that this event will be even better than last year. Schedules are available from the Lechlade Newsagents or Moore and Allen Estate Agents in Lechlade. Schedules are also available on the Internet. Open the Lechlade Gardening Club website <http://www.lechladegardeningclub.org/> and you will see full details.

We hope that Mums and Dads encourage their children to enter the various sections as well as doing so themselves. Don't forget the Allcourt Trust Cup for the best photograph, taken by a child under 16yrs, of the area around Allcourt, Lechlade. Men need to start practising their cake making as there is a special section. There is always rivalry. Ladies, you have many areas to show off your talents as usual but don't forget to look at the schedule regarding required flower arrangements and crafts. Lastly, for the budding photographers there is a set criteria and a set number of subjects.

Let's hope the weather we are now receiving will produce a bumper crop and entries. See you there.

CHEQS GARDENING CLUB

Our last visit before the Summer break was to Broughton Castle, near Banbury. We had a perfect Summers day, with warm sunshine, and some had the added pleasure of eating a picnic lunch in the shade of the trees in the Park before we set off on the guided tour of the Castle rooms.

The oldest part of the Castle is a medieval Great Hall, later additions having been built over the centuries, all beautifully maintained and loved for six centuries by the Fiennes family, and now lived in by their descendants Lord and Lady Saye and Sele. Our Guide led us through the ancient rooms, and we learned of everyday Life, great events, such as the Civil war, and the passing of time through the centuries. We did not know that spiral staircases were built curving round to the right so that the invaders holding their swords in their right hands were at a disadvantage going up the stairs to attack the occupants coming down with their sword hand free to ward them off! We climbed to the very top of the Castle, going out onto the battlements to view the moat and gardens beneath the walls, with the sheep and cattle grazing in the meadows surrounding it- so magical, as apart from the gardener on his mower, there was absolutely no evidence of the modern world around us, and it seemed timeless and untouched. We then began our tour of the garden, being welcomed into the walled "Ladies Garden" by Lord and Lady Saye and Sele and their Gardener, where we were surrounded with an abundance of Roses, herbaceous plants, shrubs and topiary at their very Summer's best, and the owners lovingly guided us through their beautiful Life's work. It was a magical afternoon, much enjoyed by all.

We meet again in September, when we have a visit to Radcot House, Bampton, on Tuesday September 10th at 11 am- PLEASE NOTE THE TIME - A MORNING VISIT! All welcome

OPEN THE BOOK

Open the Book is a way of telling bible stories through simple drama and dialogue as part of a school assembly. For many years an enthusiastic group of volunteers have delivered these assemblies which are much enjoyed by the children of Hatherop C of E Primary School. In the past term there have been some changes to the team and we would especially like to take this opportunity to thank Judy Branston who is stepping back from her role as co-ordinator. We are very grateful to Judy and all the other team members for their dedication and commitment. In the new academic year some new members will be supplementing the team so that this important and enjoyable activity can continue.

If you'd like to find out more, or if you'd like to be involved please contact Revd Craig on 01285 750013
